

Here are the results from the October Combined Training. There were a lot less entries this time which meant we could give a bigger time between dressage tests. So for the first time ever (I think) we ran to time. Thanks to all the stewards, writers and judges. And special thanks to all who helped clear the arena at lunchtime.

Competitors may have seen a photographer sneaking around taking photos. Shirley is a keen amateur, who goes to many local events taking photos. If you want to see your photos please visit www.ailsaviewvideos.moonfruit.com (Although it may take her a couple of days to get the photos loaded from today!)
